This will increase our train traffic by 15 trains a day — significantly increasing delays, negatively impacting the financial viability of our downtown, destroying local businesses and revitalization efforts. It will delay ~~business~~ emergency vehicles, add time to our children's bus commutes and add noise and pollution.

This affects all intersections along major auto/truck commuter routes, all along the rails. Many, many communities will be negatively impacted.

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.

YOUR INPUT IS IMPORTANT!

Comments provided by the public help determine the scope of the environmental review.
